

'Fill your moots' - The Times reports on the 2TG/The Times National Mooting Competition 2019-20

Registration for this year's student moot competition sponsored by The Times and 2TG, the Temple chambers, is open. The winners will bag £1,500, with £1,000 for the runners-up. Mini-pupillages are also part of the prize packages. "What makes the Times-2TG Moot different is that it's truly open and accessible to all," said Nina Goolamali QC. "There is no restriction on the number of entrants or which university or law school they come from – we don't ask and we don't want to know. This is the best way of providing a level playing field."
