

# Anastasia Karseras

Call 2000

akarseras@2tg.co.uk

+44 (0)20 7822 1200

Anastasia Karseras is regularly instructed in personal injury claims, including road traffic accidents (with particular expertise in fraudulent and exaggerated claims), claims involving the MIB, accidents and assaults at work, vicarious liability for assault by employees, highway cases, occupiers' liability, package travel, inquests and CRU appeals.

She has also developed a wide-ranging professional negligence practice including claims relating to solicitors, barristers, accountants, engineers and surveyors.

Anastasia's expertise includes damage to property (water and fire), and theft of personal and company property. She has acted for insurers in claims made by and against insurers, and in particular in relation to policies relating to motor and property claims.

Anastasia is described as "*brilliant on her feet*" and as having an "*incredibly detailed and forensic style*" (Chambers UK) and as a "*notable Junior*" who "*goes the extra mile*" and "*gets good results*".
